

THE POWER OF US: Annual Campaign Volunteers

MAKE AN IMPACT

Each year, the YMCA of Greater Grand Rapids' Annual Campaign reaches out to families both within the Y and the community to raise financial support for our programs. These gifts result in impacting lives through initiatives such as building wellness for cancer survivors through LIVESTRONG® at the Y, promoting career readiness for teens through Y-Achievers, ensuring healthy food access in urban neighborhoods through our Healthy Corner Stores initiative, and bringing the outdoors to children at Camp Manitou-Lin. Our focus is strengthening the bonds of community and ensuring everyone has the opportunity to learn, grow, and thrive.

Staff, leadership, members, small businesses, and large corporations all ensure that the impactful program work of the YMCA address significant needs in our communities.

ENGAGE

Volunteer as a team captain or co-captain and help grow our volunteer force while raising awareness and support – or volunteer to connect with supporters in our community and expand their understanding of the Y's commitment to building healthy spirits, minds, and bodies.

People give because someone asks – help us make those asks.

JOIN US.

Let staff at your YMCA know that you'd like to participate. Ask about the next workshop, event, or training to learn more about volunteer roles that can help us impact our community in significant ways.

Our Annual Campaign runs from September through April, with January through April focused on reaching our members and our communities with stories of how donors drive our cause forward.
